

NEAUVIA

A woman's face and neck are shown against a dark red background. Overlaid on her skin is a glowing orange geometric pattern of interconnected lines and dots, resembling a constellation or a digital mesh. The pattern covers her forehead, cheeks, and neck.

ACTIVATE
Skin Bio-Regeneration
with MULTI-LEVEL
combination

*#Be*NEAUVIA

AGE is an *asset*
Shine from *within*

Today's *patients*
are *rewriting*
the *rules*.

The focus has shifted from trying to "erase time" to *embracing age with elegance, confidence, and natural beauty*.

This evolving mindset favors *subtle, non-invasive enhancements* with *no downtime*, seamlessly integrated into modern lifestyles. Patients prioritize *SKIN QUALITY*, and *LONGEVITY* over quick fixes.

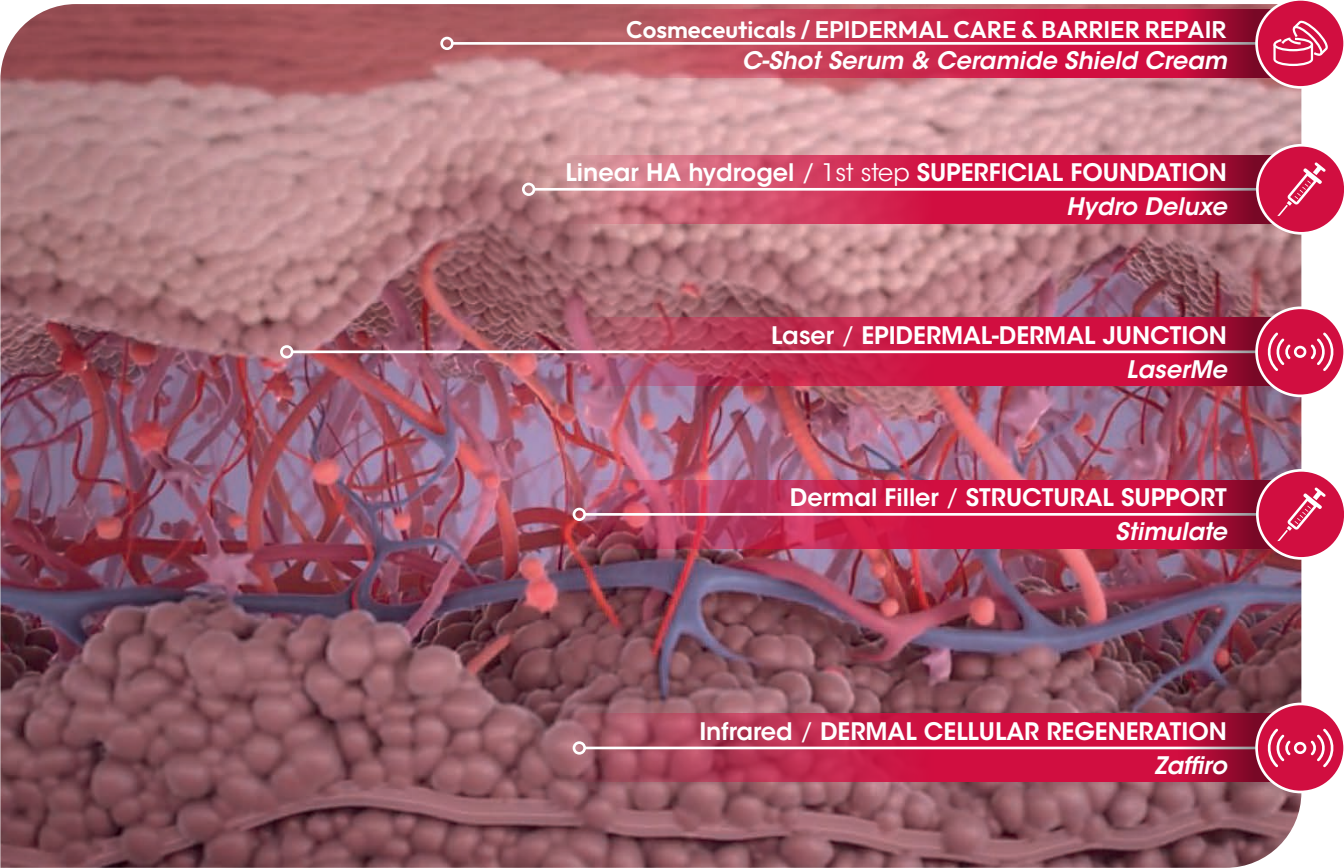

We've entered the era of *QUIET BEAUTY* - where the emphasis is *refinement over transformation*. The new focus now is *REGENERATION* and *SLOW AGING*, powered by a *multi-modal, bio-stimulatory approach* tailored to each patient's natural aging pattern.

For *practitioners*, this *shift*
represents an *opportunity*.

By offering *skin-regenerating protocols*, you can not only meet your patients' evolving expectations but also position your clinic as a leader in the *aesthetic medicine* - one that *respects individuality*, enhances *natural radiance*, and delivers *lasting excellence*.

Activate skin *Bio-Regeneration* with multi-level *combination*

To activate the *body's natural regenerative abilities*, multi-level combination treatment strategy targets *different skin layers* by *combining multiple solutions*.

Stimulate and Hydro Deluxe are class III medical devices regulated under the EU MDR 2017/745 Regulation. Manufacturer: MATEX LAB SPA, via Carlo Urbani 2 ang. via Enrico Fermi, Brindisi, Italy. Please carefully read the instructions in the leaflets. The use of these products requires the intervention of a healthcare professional. Only to be used by physicians in accordance with local legislation, trained in the injection techniques on Hyaluronic Acid based fillers.

Zaffiro is a Class IIa medical device and LASERME is a Class IIb medical device. Both are regulated health products that bear the CE mark in accordance with the Medical Device Directive (MDD) 93/42/EEC. Manufacturer: B&K, Domaniewska 37, Warsaw, Poland. Please carefully read the instructions in the leaflets. The use of these products requires the intervention of a healthcare professional.

Neauvia Cosmeceuticals are cosmetic products according to EU Regulation 1223/2009.

Multi-Level *combined* treatment key *benefits*¹:

- **RESTORES** lost volume of soft tissue
- **STIMULATES** collagen synthesis
- **ACCELERATES** cellular repair
- **IMPROVES** skin density, elasticity, and hydration
- **REVEALS** a youthful, natural-looking appearance

for *long-term regeneration* and *amplified patient outcomes*.

NEAUVIA portfolio is made for *combination*

While Neauvia products can be used independently,
they are designed to *work synergistically together*.

This integrated approach is possible thanks to the unique
PROPERTIES OF NEAUVIA PEG-HA FILLERS.

- **HIGH SAFETY PROFILE:** no pathological inflammatory reactions reported so far and *low immunogenicity* as demonstrated in the Hashimoto publication.¹
- **SEAMLESS INTEGRATION:** unique rheological and mechanical properties that *mimic those of natural skin tissues*.²
- **HIGH THERMODYNAMIC STABILITY:** they can be *effectively combined with EBD treatments in a single session*, maximizing efficiency and enhancing patient results.³

Skin *Bio-Regeneration* multi-level *combination*

1 STEP

SUPERFICIAL FOUNDATION **Hydro Deluxe**

*The only linear HA + CaHA hydrogel, Glycine and L-Proline**

- ▶ Given that water is the key chromophore, Neauvia Hydro Deluxe is an ideal 1st step before energy-based treatments.

2 STEP

STRUCTURAL SUPPORT **Stimulate**

*The only PEG-HA + CaHA filler in the market**

- ▶ Effectively address skin and subcutaneous tissue concerns, in particular the correction of mid-face volume deficit.¹
- ▶ Lasting results.²

Effectiveness and Safety of the Use of 1470 nm Laser Therapy in Patients Suffering From Acne Scarring of the Facial Skin. Clin Cosmet Investig Dermatol. 2025 Mar 12;18:543-551. doi: 10.2147/CCID.S510208.

6. Data on file, after 24h of treatment, in vitro test conducted by an independent laboratory.

* Internal survey conducted up to May 2025.

3 STEP

DERMAL CELLULAR REGENERATION **Zaffiro**

Awake physiological bio-stimulation from within

- ▶ Utilizes non-invasive infrared technology for deep dermal stimulation.
- ▶ Penetrates deep into the dermis, stimulating fibroblasts up to **+40%**³ to produce new physiological collagen.
- ▶ Improves skin density on long term, up to **+40%**⁴.

EPIDERMAL-DERMAL JUNCTION **LaserMe**

Unleash regenerative skin resurfacing

- ▶ Utilizes **1470 nm** fractional non-ablative laser for collagen remodeling.
- ▶ Effectively treats skin imperfections - photoaging, texture, tone, stretch marks, and scars - with up to **63%** scar depth and **62%** size reduction⁵.
- ▶ Improves skin quality⁵ with minimum to zero downtime.

4 STEP

EPIDERMAL CARE AND BARRIER REPAIR **C-Shot Serum & Ceramide Shield Cream**

The promise of amplified aesthetic results

- ▶ Faster recovery & enhanced results in a shorter time.
- ▶ With **30%** stabilized Vitamin C, **C-shot serum** boosts collagen production up to **15 times**⁶.
- ▶ **Ceramide Shield** soothes skin irritation by decreasing IL-6 by **20%**⁶.

Why this *combination* is *unique?*

- **MULTI-LAYERED APPROACH** - Targets *each skin layer* for *comprehensive rejuvenation* and bio-regeneration.
- **SYNERGISTIC ACTION** - Each solution complements the other, outperforming standalone treatments.¹
- **MINIMALLY INVASIVE** - Delivers *long-lasting results*¹ with minimal downtime, meeting current patient's needs.
- **SUITABLE FOR ALL SKIN TYPES** - customizable to individual *patient needs*.
- **CLINICALLY PROVEN** - Backed by *scientific research*¹

- Fibroblasts production **+101%** at 21 days and **+141%** at 150 days
- Skin elasticity **+60%** at 21 days and **+72%** at 150 days
- Skin hydration **+45%** at 21 days and **+49%** at 150 days

Why is it a *turning point* for your *practice?*

- **DIFFERENTIATE** your clinic by offering exclusive, science-backed protocols.
- **BOOST** patient satisfaction with visible, immediate, and long-lasting results.
- **DRIVE** re-engagement and increase visit frequency with effective, non-invasive treatments.
- **RAISE** your average ticket by combining technologies to address multiple concerns in a single session - delivering higher perceived value.
- **LEVERAGE** Neauvia's support to help generate patient interest and increase demand.
