Hydration refined: BeNEAUVIA with Hydro Deluxe & Zaffiro

REPORT SUMMARY

PATIENT

A 48-year-old female, Fitzpatrick III with photoaging, laxity and dull skin

TREATMENTS

Underwent a synergistic protocol combining **Neauvia Hydro Deluxe** and **Zaffiro**. In the first session, 2.5 ml of Hydro Deluxe was injected intradermally with a 34G needle to restore hydration and radiance. One week later, Zaffiro hydro-

exfoliation and infrared thermo-lifting were performed using a crisscross Smart Hydro method and IR BioStim at 22J.

RESULTS

After two sessions the patient showed improved plumpness, elasticity and skin tone. This protocol proved safe, effective and delivered natural, luminous results.

Neauvia products are for trained experts only. Use must follow approved indications and the Instructions for Use (IFU) in accordance to applicable laws and regulations in each country. Physicians are solely responsible for any treatments outside these conditions. The results shown are specific to an individual treatment plan. Treatment decisions must be adapted to each patient, who may respond differently based on numerous factors. Outcomes are variable and not guaranteed.
