## Therapeutic synergy in the treatment of acne scars

### REPORT SUMMARY

#### PATIENT

A 58-year-old male athlete with Fitzpatrick IV skin and a history of adolescent acne and melasma was treated for acne scars and uneven skin texture.

#### TREATMENTS

Using **Zaffiro**, **Neauvia Hydro Deluxe Man**, and **LaserMe**. The protocol included a Zaffiro Hydro Peel for biostimulation and thermolifting, Hydro Deluxe Man

injected with a fanning technique via 22G cannula to hydrate and remodel scarred areas, and LaserMe applied at two energy levels for resurfacing.

#### RESULTS

This combined approach improved skin texture, tone, and radiance while maintaining safety and long-lasting results.

Neauvia products are for trained experts only. Use must follow approved indications and the Instructions for Use (IFU) in accordance to applicable laws and regulations in each country. Physicians are solely responsible for any treatments outside these conditions. The results shown are specific to an individual treatment plan. Treatment decisions must be adapted to each patient, who may respond differently based on numerous factors. Outcomes are variable and not guaranteed.
